On top of the dome of the county Courthouse
in Liberty, Mo., stands a statue of the Goddess
of Justice, which is about ten feet high. It is
made of wood and is hollow. For nearly fifty
years a colony of wild bees has hived inside
this statue, going in and coming out through a
small knothole under the extended arm of the
figure. The bees have never been molested.
It is estimated that the entire space inside of
the statue is filled with honey, and that there
is enough of it to fill several barrels.

A Few Words to Shoe Buyers

When we added Men's and Boys' Shoes to our business some years since we pursued the same policy that we have carried out for years, viz.: To buy only the products of the best manufacturers in the land. Here you find Hanan, Walkover, Nettleton, Douglas and Barker Brown Shoes, the first four named the very acme of gentlemen's footwear, the last named, Barker Brown, the best work shoe made in the world. Particular care is exercised in our selection of Boys' Shoes. There are two unique features in our shoe business: One, that no shoe house in the State has as many of the best line strictly confined to them, by reason that we sell more than enough of each line to justify this. The other is that we warrant every pair, including shiny leathers, to give reasonable satisfaction. We want to add YOU to our shoe patrons.

fore them.

the suspension of the rules in receiving its
second reading and final passage.

were too high and recommended the rejection
of all bids, and that the work be re-advertised
for new bidders, and it was so ordered.

THE Democratic version of a perfect Tariff law is one that will give every office-seeker a job and every Democratic loafer money, tobacco and whisky without working for it.

THE people of the United States have recently learned that there is something behind the Taft smile. It's not all good nature, but about two-thirds business and determination.

"The Republicans will be responsible for the Tariff Bill when passed," say our friends of the opposition. That is nothing. They have been responsible for every good statute of the last fifty years, and are proud of it.

A MAYSVILLE man has gained fame by marrying his step-mother, thereby becoming his own step-father.—Cynthiana Democrat.

"The Man From Maysville" has simply acquired a habit of going a step farther than the man from "elsewhere."

It is worthy of notice that the new Tariff Bill pleases neither the Republican high Protectionists nor the Democratic low Tariff advocates. That is a happy indication that the latest revised version of the Protection gospel has struck a medium of moderation, which will do better—it will please the people and the consumers. The Democratic politicians and Republican Tariff grafters may go to grass.

Women's Secrets

There is one man in the United States who has perhaps heard more women's secrets than any other man or woman in the country. These secrets are not secrets of guilt or shame, but the secrets of suffering, and they have been confided to Dr. R. V. Pierce in the hope and expectation of advice and help. That few of these women have been disappointed in their expectations is proved by the fact that ninety-eight per cent. of all women treated by Dr. Pierce have been absolutely and altogether cured. Such a record would be remarkable if the cases treated were numbered by hundreds only. But when that record applies to the treatment of more than half-a-million women, in a practice of over 40 years, it is phenomenal, and entitles Dr. Pierce to the gratitude accorded him by women, as the first of specialists in the treatment of women's diseases.

Every sick woman may consult Dr. Pierce by letter, absolutely without charge. All replies are mailed, sealed in perfectly plain envelopes, without any printing or advertising whatever, upon them. Write without fear as without fee, to World's Dispensary Medical Association, Dr. R. V. Pierce, Prest., Buffalo, N. Y.

DISCRIMINATING LADIES.

Enjoy Using Herpelide on Account of Its Distinctiveness.

The ladies who have used Newbro's Herpelide speak of it in the highest terms, for its quick effect in cleansing the scalp of dandruff and also for its excellence as a general hair-dressing. It makes the scalp feel fresh and it allays that itching which dandruff will cause. Newbro's Herpelide effectively cures dandruff, as it destroys the germ that causes it. The same germ causes hair to fall out, and later baldness; in killing it, Herpelide stops falling hair and prevents baldness. It is also an ideal hair dressing, for it lends an aristocratic charm to the hair that is quite distinctive. Sold by leading druggists. Send 10c. in stamps for sample to The Herpelide Co., Detroit, Mich.

"B. H. CABIN"

Replaces Broshers Station Below Maysville—Three Operators at Work in New Tower

The new telegraph tower on the C. and O., East of Lawrence creek, is completed, occupied and named "B. H. Cabin."

The local stop of passenger trains will hereafter be at the Cabin instead of at the old Broshers Station, which has been discontinued.

There are three operators at the B. H. Cabin and the service will be continuous, as at the Fairgrounds Tower. Messrs. Rice, Poe and Mefford are in charge of the tricks, working 8 hours each.

The Dover office will be cut to one operator, who will be the Agent, and Matt Thompson will continue on the Dover job. C. B. Black, night operator at Dover, is to be transferred to some other office, probably B. H. Cabin.

It will be several weeks before the interlocking switches are completed above Lawrence creek. A large force of men are now pushing the work.

The entire work of constructing the five miles of double track will cost over \$100,000.

Augusta Chronicle.

It is the intention of the C. and O., so we are informed, to build a tower near the foundry, in which the telegraph operators will be stationed, doing away with the office at the depot. This move is made so that the side track in the heart of the city will not have to be used, necessitating the cutting of the crossings every time the trains go on the side track. According to the estimates, the new side tracks, with what is now in use at the above mentioned points, will hold ninety cars.

JUDGE FOR YOURSELF

Which is Better—Try an Experiment or Profit by a Maysville Citizen's Experience.

Something new is an experiment. Must be proved to be as represented. The statement of a manufacturer is not convincing proof of merit.

But the endorsement of friends is now supposing you had a bad back. A Lame, Weak or Aching one. Would you experiment on it? You will read of many so-called cures. Endorsed by strangers from far-away places. It's different when the endorsement comes from home.

Easy to prove local testimony. Home endorsement is the proof that backs every box of Doan's Kidney Pills.

Read this case: J. M. Lloyd, farmer, R. F. D. No. 5, Maysville, Ky., says:

"I am only too pleased to tell of my experience with Doan's Kidney Pills and hope that it will be the means of helping some other sufferers from kidney trouble in finding relief. About five years ago my kidneys suddenly became disordered and for several months I was bothered by constant, dull pains across my loins. When I stooped or lifted, sharp twinges shot through my body and caused the most intense suffering. I at length heard of Doan's Kidney Pills, procured a box at J. J. Wood & Son's Drugstore and began using them. They effected a complete cure, and since then I have not had backache or any other symptom of kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

NEGLECTED GRAVE

Of Rev. Louis Craig to Receive Attention—Was Pioneer Baptist

At the recent convention of the Bracken Association of the Baptist Church, held at Millersburg, a collection was taken to purchase a monument for the grave of Rev. Louis Craig who is buried at Minerva, Mason county, and who was the first Missionary Baptist in this part of the country and practically established the Bracken Association.

The life of Craig forms one of the most interesting chapters in early Kentucky history and portrays in vivid details the battle the pioneers had to establish the Baptist Church in Kentucky.

A collection was also taken for the venerable Rev. Cleon Keys of Louisville, who is 87 years old and in feeble health. He has been a member of the Association for 53 years and has attended 50 of the meetings.

The Association will meet next year at Pisgah Church, on the first Wednesday in August.

The weather: Tuesday and Wednesday fair and warm.

Mr. George W. Pollitt is temporarily located at Oklahoma City, Oklahoma.

Messrs W. C. Schlitz, William Sproemberg and Jesse Helmer returned home this morning from their outing on the Great Lakes.

Mr. J. C. Rains was in Cincinnati Saturday and Sunday joining his wife and children who are visiting her parents, Mr. and Mrs. W. T. Orr.

Mr. A. A. Wadsworth was received at Wilson Hospital yesterday and underwent an operation for an extraneous growth on the back part of his neck. He is reported as doing finely this morning.
